RESPONSE TO THE EXAMINER'S REASON FOR ALLOWABILITY

Honorable Commissioner for Patents
P.O. box 1450
Alexandria VA 22313-1450

S I R:

This is in response to the Office Communication mailed on February 4, 2005.

The Applicants believe that the statements of reasons for allowance in this case are improper as they merely state that the claims are allowed or allowable because of the combinations of the limitations. While the Applicants believe that the claims are allowable, the Applicants do not acquiesce either that patentability resides in each feature, exactly as expressed in the claims, or that each feature is required for patentability.

Respectfully submitted,
